

BLISS SUMMIT BIBLE CAMP PAINTBALL RULES AND REGULATIONS

The following rules and regulations must be adhered to, while you are on the property, whether involved in a game of paintball or not. Any infraction will be sufficient grounds to terminate that person's use of the facilities and to consider them a trespasser on the property. There may be, from time to time, additional or special rules, or a deletion of some rules for a specified game or games. In any case, any deletions or additions will be posted and/or announced prior to the start of any game.

GENERAL RULES

- A.** A referee may call for a velocity check of any marker at any time. Any marker found to be shooting over 280 feet per second may be eliminated from use by any referee. A second violation of a velocity check will cause that player to be eliminated from the session.
- B.** If a "paint check" is called, play will continue until the Referee reaches the player in question. All players are "active" until the Referee calls the player in question "neutral." They can shoot and be shot at until they are called "neutral." The Referee will check the player for a hit, and will then call the player "in" or "out" based on their determination. There will be a 5 second countdown before play resumes if they are "in."
- C.** In the event that a referee blows his whistle:
 - 1. The game will stop in that area.
 - 2. All players will maintain their position.
 - 3. Referee will announce: "paint check, rule infraction, velocity check, etc."
 - 4. The game will resume play based upon the referee's discretion.
- D.** When you are hit:
 - 1. Call yourself "OUT" or "HIT." Do not wait for a referee to catch you.
 - 2. Keep your goggles on.
 - 3. Put the barrel plug in or barrel sleeve on, engage the safety on the marker, and hold your gun in the air.
 - 4. Go directly to a safety zone.
 - 5. Do not converse or participate in the game in any manner.
- E.** NO CHEATING - Anyone caught cheating, wiping off a paint hit during a game, adjusting the velocity of a marker during a game, or any other serious infraction, will be asked to leave that game and may be dismissed for the remainder of the day.
- F.** No more than two markers per player in any game.
